Q.No. 5: How do I fill the Choice filling form on website?

Ans: Candidates will have to log on to website <https://tnmedicalselection.net/> to get registered and then fill in choices. Please study counseling scheme carefully. It is advised that after going through the list of seats available, a tentative list may be prepared first, as per your preference of colleges, before attempting to fill choices online. Candidates are advised to read and understand the prospectus completely before filling their choices.

Q. No. 6: Is there any restriction for filling up number of choices of Institution (College) (and courses i.e. MBBS or BDS) in choice filling form?

Ans: No, you can give as many choices as you wish during online choice filling. However, choices should be in order of your preference. There will be a common software for Government Quota/Management Quota/NRI Quota/Minority Quota/ NRI Lapsed seats for filling up of choices. The choices will be available based on your eligibility and application.

For example: A Telugu Minority candidate who has applied for Management quota will be shown TM MQ seats but the same seat will not be available for General MQ applied candidate and also If a Telugu Minority candidate has not applied for Management Quota he will not be shown TM MQ or other MQ seats at all.

Q. No.7: Is it necessary to fill up the choices and lock the choices to get seat allotted? Or I will be allotted seat automatically from leftover seats?

Ans: After online registration (registration is compulsory to take part in online allotment process, before the counselling rounds during specified registration period), you have to fill in choice of Institutions/colleges/courses in order of your preference. Once choice is filled in, it can be modified before locking it. If candidate does not lock the choice submitted by him/her, the choices already filled will be automatically locked as per counselling schedule.

Note: If the candidate does not fill choices for any college, he/she will not be allotted any seat during the counseling

IMPORTANT:

Don't wait till the last minute to Register and Lock your choices. Please go through your submitted choices before locking, as once you lock the choices they cannot be modified or changed even if you have made a mistake. It may result in allotment of a seat which you never wanted. (Please note that the choices once locked cannot be unlocked even by the Selection Committee)

Q. No. 8: Is it necessary to join allotted Medical/Dental College of Round 1 to get chance to participate in Round 2?

Ans: No, candidates need not report or join the allotted college of Round 1 since there is free exit.

However, if they want to retain the Round 1 seat and upgrade in round 2 they have to physically join the college of Round 1 and participate in Round 2 online.

Q. No. 9: Can a candidate participate in Round 2 without submitting fresh choices (based on choices submitted before round-1)?

Ans: Fresh choice submission by eligible candidates, as mentioned above is necessary for consideration for seat allotment during any round. If candidate does not submit fresh choice(s) during choice filling period, the candidate will not be considered for allotment of seat during Round- 2 and will retain the already joined seat, if any.

Q. No.10: If a candidate does not report at the allotted college during Round 2 whether he has to register again for Mop Up round?

Ans: Yes, the security Deposit and Registration Fee paid already will be forfeited and he has to register fresh in Mop Up round with Fresh Payment.

Q. No.11: If I opt to participate in second round of counseling whether my allotted seat (of first round) will be cancelled?

Ans: In case you are not allotted any seat in the second round, you will retain earlier allotted seat in Round 1 if you had joined already. However, on reallocation of a seat

in second round, the earlier allotted seat in Round 1 will automatically be cancelled and allotted to another candidate. Therefore, you are advised to fill in only choices which you prefer over the earlier allotted seat, for second round.

Q. No.12: After I join Second Round of Counseling of AIQ can I leave/ Resign to join State Quota seat?

Ans: Once you join second round seat, you will not be allowed to vacate from allotted 2nd round seat as per direction by Hon'ble supreme court in WP(C) (267/2017) dated 09/05/2017.

However, if you are allotted a seat in Second Round and have not joined the college/institute you can Exit with Forfeiture of security deposit and Tuition Fee.Vide Order dated 22/07/2022 in Contempt Petition No. 289 of 2022 before the Hon'ble Supreme Court of India it has been approved that MCC of DGHS has developed a software for all participating states and counselling authorities for the NEET-UG/PG in order to ensure that the names and roll numbers of candidates who have joined up to round 2 and further rounds of the state quota or round 2 of AIQ are put up on the common portal. Moreover, the candidates who have joined up to round 2 of AIQ or State quota shall not be eligible to participate in the further rounds of AIQ or state quota from the academic year 2022-23. Furthermore, it has been directed by the Hon'ble Court that:

"The development of the above software should ensure that a uniform pattern is followed by all the States across India commencing from the academic year 2022-2023. For the current academic year, since the students have already joined and the courses have commenced, we would, in the interest of justice, put an end to the contempt proceedings. However, we take on record the assurance which has been set out by the DGHS and direct that all the States and counselling authorities in the NEET- UG/PG shall scrupulously comply with the above directions from the academic year 2022-2023."

Therefore, not joined candidates in Round 2 of AIQ or SQ will be allowed exit with forfeiture and allowed to participate in further counseling process for 2023-2024 whereas Joined candidates will not be allowed to participate in further counseling for the current year 2023-2024.

The operative part of the regulation is reproduced as under with regard to curb the menace of ragging in medical colleges:-

“5. Measures for prohibition of ragging:-

5.1 The Medical College/Institution / University shall strictly observe the provisions of the Act of the Central Government and the State Governments, if any, or if enacted and / or for the time being in force, considering ragging as a cognizable offence under the law at par with rape and other atrocities against women and ill-treatment of persons belonging to the SC/ST and prohibiting ragging in all its forms in all institutions.

5.3 The Medical College/Institution / University shall take strict action against those found guilty of ragging and/or of abetting ragging.

6. Measures for prevention of ragging at the institution level:-

6.1 Before admissions:-

6.1.3 The “Prospectus” and other admission related documents shall incorporate all directions of the Hon’ble Supreme Court and /or the Central or State Governments as applicable, so that the candidates and their parents/ guardians are sensitized in respect of the prohibition and consequences of ragging.

6.1.4 A Brochure or booklet/leaflet shall be distributed to each student at the beginning of each academic session for obtaining undertaking not to indulge or abet ragging and shall contain the blueprint of prevention and methods of redress.

The application form for admission/ enrolment shall have a printed undertaking, preferably both in English/Hindi and in one of the regional languages known to the institution and the applicant

(English version given in Annexure I, Part I), to be filled up and signed by the candidate to the effect that he/she is aware of the law regarding prohibition of ragging as well as the punishments, and to the effect that he/she has not been expelled and/or debarred from admission by any institution and that he/she, if found guilty of the offence of ragging and/or abetting ragging, is liable to be punished appropriately.

6.1.5 The application form shall also contain a printed undertaking, preferably both in English/Hindi and in one of the regional languages known to the institution and the parent/ guardian (English version given in Annexure I, Part II), to be signed by the parent/ guardian of the applicant to the effect that he/ she is also aware of the law in this regard and agrees to abide by the punishment meted out to his/ her ward in case the latter is found guilty of ragging and/or abetting ragging.

A database shall be created out of affidavits affirmed by each student and his/her parents/guardians stored electronically, and shall contain the details of each student. The database shall also function as a record of ragging complaints received.

6.1.6 The application for admission shall be accompanied by a document in the form of the School Leaving Certificate/transfer certificate/migration certificate/ Character Certificate which shall include a report on the behavioral pattern of the applicant, so that the institution can thereafter keep intense watch upon a student who has a negative entry in this regard.

6.1.7 A student seeking admission to the hostel shall have to submit additional undertaking in the form of Annexure I (both Parts) along with his/ her application for hostel accommodation.

6.1.8 At the commencement of the academic session the Head of the Institution shall convene and address a meeting of various functionaries/agencies, like Wardens, representatives of students, parents/ guardians, faculty, district administration including police, to discuss the measures to be taken to prevent ragging in the Institution and steps to be taken to identify the offenders and punish them suitably.

6.1.9 To make the community at large and the students in particular aware of the dehumanizing effect of ragging, and the approach of the institution towards those indulging in ragging, big posters (preferably multicoloured with different colours for the provisions of law, punishments, etc.) shall be prominently displayed on all Notice Boards of all departments, hostels 4 and other buildings as well as at vulnerable places. Some of such posters shall be of permanent nature in certain vulnerable places.

6.1.10 Apart from placing posters mentioned in sub-clause 6.1.9 above at strategic places, the Medical College/Institution shall undertake measures for extensive publicity against ragging by means of audio-visual aids, by holding counseling sessions, workshops, painting and design competitions among students and other methods as it deems fit.

6.1.14 The Medical College/Institution/University shall utilize the vacation period before the start of the new academic year to launch wide publicity campaign against ragging through posters, leaflets, seminars, street plays, etc.

6.1.15 The faculties/ departments/ units of the Medical College/Institution /University shall have induction arrangements (including those which anticipate, identify and plan to meet any special needs of any specific section of students) in place well in advance of the beginning of the academic year with a clear sense of the main aims and objectives of the induction process.

The Principal or Head of the Institution/Department shall obtain an undertaking from every employee of the institution including teaching and non-teaching members of staff, contract labour employed in the premises either for running canteen or as watch and ward staff or for cleaning or maintenance of the buildings/lawns etc. that he/she would report promptly any case of ragging which comes to his/her notice. A provision shall be made in the service rules for issuing certificates of appreciation to such members of the staff who report ragging which will form part of their service record.

6.2. On admission:-

6.2.1 Every fresher admitted to the Medical College/Institution/University shall be given a printed leaflet detailing when and to whom he/she has to turn to for help and guidance for various purposes (including Wardens, Head of the institution, members of the anti-ragging committees, relevant district and police authorities), addresses and telephone numbers of such persons/authorities, etc., so that the fresher need not look up to the seniors for help in such matters and get indebted to them and start doing things, right or wrong, at their behest. Such a step will reduce the freshers' dependence on their seniors.

Every institution should engage or seek the assistance of professional counselors at the time of admissions to counsel 'freshers' in order to prepare them for the life ahead, particularly for adjusting to the life in hostels.

6.2.2 The Medical College/Institution/University through the leaflet mentioned above shall explain to the new entrants the arrangements for their induction and orientation which promote efficient and effective means of integrating them fully as students.

6.2.3 The leaflet mentioned above shall also inform the freshers about their rights as bonafide students of the institution and clearly instructing them that they should desist from doing anything against their will even if ordered by the seniors, and that they have nothing to fear as the institution cares for them and shall not tolerate any atrocities against them.

6.2.4 The leaflet mentioned above shall contain a calendar of events and activities laid down by the institution to facilitate and complement familiarization of freshers with the academic environment of the institution.

6.2.5 The Medical College/Institution/University shall also organize joint sensitization programmes of 'freshers' and seniors.

On the arrival of senior students after the first week or after the second week as the case may be, further orientation programmes must be scheduled as follows (i) joint sensitization programme and counseling of both 'freshers' and senior by a Professional counselor; (ii) joint orientation programme of 'freshers' and seniors to be addressed by the principal/Head of the institution, and the anti - ragging committee ; (iii) organization on a large scale of cultural, sports and other activities to provide a platform for the 'freshers' and seniors to interact in the presence of faculty members ; (iv) in the hostel, the warden should address all students; may request two junior colleagues from the college faculty to assist the warden by becoming resident tutors for a temporary duration.

6.2.6 Freshers shall be encouraged to report incidents of ragging, either as victims, or even as witnesses.

6.3. At the end of the academic year:-

6.3.1 At the end of every academic year the Dean/Principal/Director shall send a letter to the parents/guardians of the students who are completing the first year informing them about the law regarding ragging and the punishments, and appealing to them to impress upon their wards to desist from indulging in ragging when they come back at the beginning of the next academic session.

6.3.2 At the end of every academic year the Medical College/Institution /University shall form a "Mentoring Cell" consisting of Mentors for the succeeding academic year. There shall be as many levels or tiers of Mentors as the number of batches in the institution, at the rate of 1 Mentor for 6 freshers and 1 Mentor of a higher level for 6 Mentors of the lower level.

Each batch of freshers should be divided into small groups and each such group shall be assigned to a member of the staff. Such staff member should interact individually with, each member of the group on a daily basis for ascertaining the problems/difficulties if any faced by the fresher in the institution and extending necessary help.

In the case of freshers admitted to a hostel it shall be the responsibility of the teacher in charge of the group to coordinate with the warden of the hostel and to make surprise visits to the rooms in the hostel where the members of the group are lodged.

Ans: Candidates will have to log on to website <https://tnmedicalselection.net/> to get registered and then fill in choices. Please study counseling scheme carefully. It is advised that after going through the list of seats available, a tentative list may be prepared first as per your

Such a step will reduce the freshers" dependence on their seniors.
